

Labyrinth Enterprises

128 Slocum Avenue, St. Louis, MO 63119 • (800) 873-9873 • www.labyrinth-enterprises.com

Marianjoy Rehabilitation Hospital Wheaton, Illinois

Medium
Polymer concrete

Completion date
June, 2006

Technique
The labyrinth pattern was cut into the concrete using specially adapted diamond-bladed tools and then hand-colored with polymer concrete, producing a durable all-concrete labyrinth.

Labyrinth Enterprises crew:
Robert Ferré, Judy Hopen, John Ridder, Melissa Ridder (John's daughter), Debi Kermeen, Chuck Hunner.
